

June 23, 2011

To all of Shady Acres' family, friends and first time visitors:

Unfortunately, I regretfully have to inform everyone that we will be charging 6% sales tax and 5% tourist tax beginning today. Any reservations made prior to this date, the Perrine family will pay the extra charges out of their own pockets. The Perrine family will take the taxes into consideration when calculating the rates for the 2012-2013 season.

Thank you for your understanding.
